organizes

International Scientific Conference XXIII Slavic Readings

The conference welcomes presentations of research done on the urgent issues of Russian and Slavic studies, and functioning of the Russian language, literature and culture in a foreign language environment. Therefore, the work of the conference will be organized in the following sections:

A THEORETICAL ASPECT:

Contemporary issues of Russian and Slavic studies:

- Slavic languages: historical and contemporary context.
- Literature of the Slavs: historical and contemporary context.
- Slavic-Baltic language, literature and culture connections.
- Russian literature within the world literature context.

A PRAGMATIC ASPECT:

Russian language, literature and culture in a foreign language environment:

- Studying Russian literature and culture in the modern world.
- Russian language in a multicultural environment.
- Innovative methods of teaching Russian as a foreign language.

The working languages of the conference are Russian, English and Latvian.

The conference materials are published in the collections of scientific articles "Slavic Readings". Organizing committee reserve the right to select the presenters and articles for publication depending on the academic interest of the topic and its correspondence to the tasks of the conference.

Registration fee – EUR 35 EUR is paid upon registration.

Conference participants cover their own travel and accommodation costs.
